

Available Jobs at 12-22North

Below is a list of projects which we are looking for people to complete. Reach out to AJ at aj@iotconduit.com for more information. We are open to paid and/or bartered service.

Backyard gate

The fence in the backyard is in need of repair. Part of this project will be fixing the gate into the backyard and creating a fence around the recycling and trash bins.

Repainting

We have 3 rooms that will need some painting. The conference room (on the left, above) needs a full repainting. The offices (the one pictured on the right above, plus another one of similar size) need some spot painting.

Trim

The outside trim of the building needs to be scraped and repainted.

Woodwork

The wooden windows in several offices need to be sanded and refinished. Also, looking for a nice wooden bench to be made for the corner of a private office.

Windows

The back windows of the building need to be fixed to be able to open smoothly.
