

# Coworking Spaces at 12-22 North

## Join the community for a day or more with our day passes.

1. Head over to <https://members.12-22north.com/> and make an account with your email address and new password
2. On the home page, scroll down to “Reserve your space” and browse our office rental options to see which office is the best fit for your needs
3. Click the blue “RESERVE” button on the office of your choice
4. Select your allotted time
5. Check out and complete your payment. You’re all set to come in at your selected time!  
You can find directions to 12-22 North [here](#).

## The Fishbowl

Bright and private, the Fishbowl is the perfect space for 1-4 with 42” monitor you can use.

## **The Landing**

Special space at the building command center. Not as private as other spaces and discounted if you want to become a building ambassador.

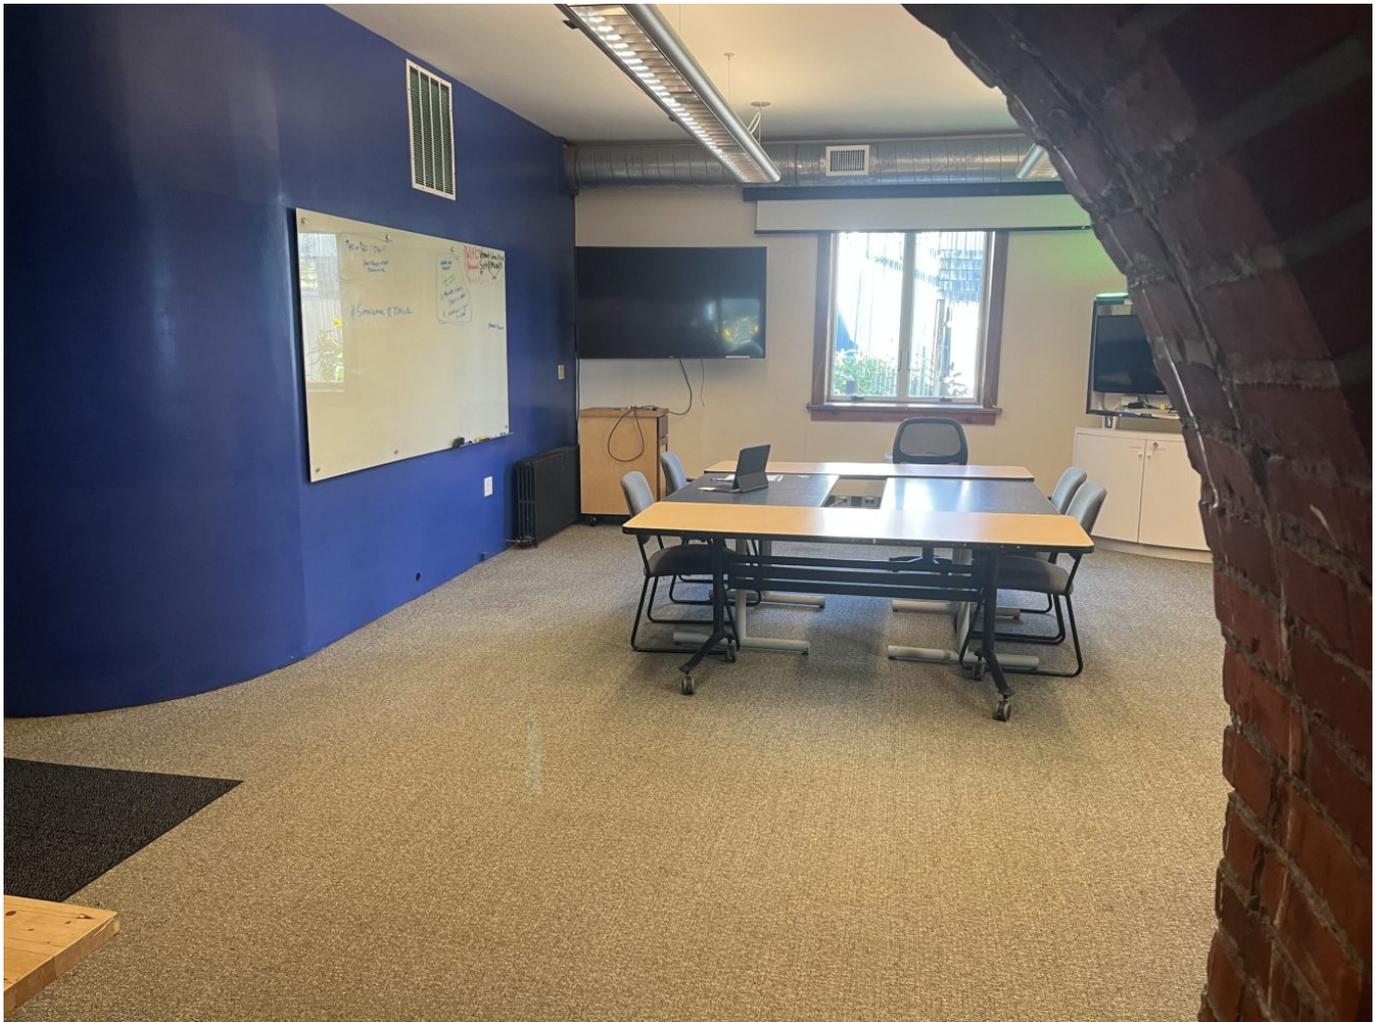

### **Amenities included with a Day Pass:**

- A private office space for you to use for the day
- Access to outdoor space and kitchenette
- High-speed internet

### **Conference Space**

The 12-22North Conference Space is waiting for your event!

## Office 1 (January only)

This is one of our nicest and most private offices. Coworking until rented.
