

Celebrating Net Zero during BTV Earth Week

**Thursday, April 24th
3-6pm**

It has taken 20 years, but we have finally kicked out gas habit and gone Net Zero. Please join us for a celebration !!

Building Tours: See firsthand how 12-22 North operates as a Net Zero building. It's been a number of twists and turns - now it's time to optimize.

Technology Demonstrations:

- Solar Power
- Advanced Energy Metering Infrastructure

- High-Efficiency Heat Pumps
- Smart EV Charging

Meet the Experts: Chat with the engineers, tinkerers and tenants behind the transformation

Networking: Meet fellow sustainability advocates, local businesses and community leaders

Refreshments: Vegetarian snacks by MexCafe
